Roosevelt High School Foundation

For over 16 years, the RHS Foundation has supported today’s Roughriders! We are most grateful for the continued generous support from parents. To date, the Foundation has built an endowment of over $2 million to directly support the school. Throughout each student’s four years, the Foundation donates over $300,000 to programs at Roosevelt.

During the 2019-20 school year, the Foundation will continue to focus increased resources on counseling, career planning, college readiness tools and programs benefitting all students. We will ensure that all RHS students have access to the cutting-edge programs and services unique to Roosevelt and significant to every student’s success.

Teachers and staff can request Foundation funding every fall for any number of classroom and program needs. Previous grants have ranged from musical instruments, to textbooks, to cutting-edge science lab equipment. Every department has directly benefited from Foundation funding.

The Foundation fills the budget gap and ensures excellence for all students at Roosevelt High School. To make a charitable donation, please visit our website at http://www.rooseveltfoundation.org or call 206.226.5679. If you prefer, checks payable to RHS Foundation can be mailed to the following address:

Roosevelt Foundation
P.O. Box 15791
Seattle, WA 98115

Thank you so much. Your support is greatly appreciated and all gifts are 100% tax deductible.
