Packs for Teens

Each week (on Fridays) we put together packs of food for our Roosevelt families in need, donated to us by the University Food Bank. Additionally, each break we will deliver meals and goods at your request. Please email me if you would like your child to receive food each week and Holiday gift baskets at Erin E. Bailey, Academic Intervention Specialist at eebailey@seattleschools.org or our school nurse Amanda Schwartz at ajschwartz@seattleschools.org

Looking forward to a fantastic year with your child and your family!

Erin E. Bailey
The University Food Bank donates food weekly to around 100 Roosevelt’s families in need. We have parent and student volunteers that donate their time each week to help organize the food so that it can go home with our students. Additionally, we provide Thanksgiving, Holiday and Spring Break baskets including gift cards, jackets, socks, underwear, toiletries and food to our Roosevelt families.

If you would like to donate your time to organize and help with Thanksgiving, Holiday and Spring Break baskets, please let me know as this is a big undertaking that needs a lot of volunteers.

Also, if you would like to donate to our “Packs for Teens” fund, please send a check to the Roosevelt PTSA with the memo of “Pack for Teens”. Any donation would be greatly appreciated.
